

# Freeway

Aimee Mann

You got a lot of money, but you can't afford the freeway  
The road to Orange County leaves an awful lot of leeway  
Where everyone's a doctor or a specialist in retail  
They'll sell you all the speed you want if you can take the blackmail You know it

I know it

Why don't you

Just show it?

You got a lot of money, but you can't afford the freeway  
You got a lot of money, but you can't afford the freeway  
You got a lot of money, but you cannot keep your bills paid  
The sacrifice is worth it just to hang around the arcade  
You found yourself a prophet, but you left him on the boardwalk  
Another chocolate Easter bunny, hollowed out by your talk You know it

I know it

Why don't you

Just show it?

You got a lot of money, but you can't afford the freeway  
You got a lot of money, but you can't afford the freeway And everything I do is wrong

But at least I'm hanging on

You got a lot of money, but you can't afford

You got a lot of money, but you can't afford

You got a lot of money, but you can't afford the freeway

You got a lot of money, but you can't afford the freeway

You got a lot of money, but you

Can't afford

You got a lot of money, but you

Can't afford
