Wipin' out wipe out

For three years straight we toured the nation

When we get through we needed a vacation

We wanted to party and get a little rest

So we packed our things and headed out west

We got our surfboards took the beachball out

Jumped in a limosuine ready to "Wipeout" Now we're ready to go

Here we go here we go

One one two one two one two hit it D

Here we go We got to California I said headed for the beach

There were girls galore all within our reach

There was sand and sun and lots of fun

But when we get there the fun really begun

So we cut on the box and started to shout

It was the Beach Boys rockin' huh huh the "Wipeout"

Oo oo

Ooo ooo

Oo

Oo

Oo oo Wa-ah-ah-ah wawawa-oo-oo

Wa-ah-ah-ah wawawa-oo-oo

That's it, that that that's it dit dit dit dit dit

Hit it D The sun went down and the night began

We was rapping for the people cold chillin' boppin'

We was partying hard making lots of noise

When around the corner came the real Beach Boys
So we all jumped up and started to shout
"Let's all sing the song called the 'Wipeout'"
