

# Give Me Love

Ciara

I got money, I got cars  
So I don't need it, I need more  
I'll show you mine if you show me yours  
You best believe it, I got what you want No holding back  
Ain't no holding back  
I need all of your attention  
All of your attention baby Turn me on  
Turn the whole world off  
Boy I need you at attention  
Need you at attention baby  
Give me love or nothing at all  
Give me love or nothing at all  
Give me love or nothing at all  
Give me love or nothing at all Give it to me, give it to me, give it to me  
Give me love  
Put it on me, put it on me, put it on me  
Give me love Give me love or nothing at all  
Give me love or nothing at all  
We ain't gon' make it, the bed too far  
So let's go now, right here on the floor  
Body to body we can bury it all  
Yeah the naked truth, ooh if these walls could talk  
We just begun, the night is young oh will you take me there  
Oh come and hold me, won't you show me, you can take me there  
My body's callin' for you darling, hope that you're prepared  
To take my body where nobody's ever taken me, me, me, me, me
