Shine lyrics

Shine, shine, shine

Everyday when I'm rollin thru the hood

Playas watch me cuz they know I

Shine, shine, shine

Hey I know I'm shinin I'm fresh? bodies in the?

Love to hate me cuz you know I'm gonna

Shine, shine, shine(Female Singer)

Keep doin what you doin

It's ya time and its ya shine

I love the way you ride

I hope you shine

The party starts tonight

My friends are comin over

I really think you fly

Tonights the night

(1 - Snoop Dogg)

I shine like Neptune, Venus, and Mars in ya face in ya state

In and outta cars, interstate, win a date with one of my broads

But you gotta hate a bitch before she gets your dick hard

That's what shinin about and when you get the hoe

You can tear her linin out, what you whinin about

You want the presence of pimpin, I'm walkin while limp

And holdin on the drink that I'm sippin, I'm flippin the script an'

I'm slidin while I'm dippin my whip in, out of traffic

It's so drastic, boombastic, this shits a hit, Jadakiss

Matter fact nephew this bitch is a classic, pass this

Ayo locie loc' let's blow some dope, better yet lets go for dough

Hoe for hoe, I'm so fa sho, and so low and sensational

You know how I do it

Shine, shine, shine

Everyday when I'm rollin thru the hood

Playas watch me cuz they know I

Shine, shine, shine

Hey I know I'm shinin I'm fresh? bodies in the?

Love to hate me cuz you know I'm gonna

Shine, shine, shine(Female Singer)

Keep doin what you doin

It's ya time and its ya shine

I love the way you ride

I hope you shine

And I'm strapped with the pound and? shoes, cackies, T shirts

Uh uh after my surrounding, air force ones, jeans, city lab

A fitted that's when I'm back in the town and dont get it confused

I'm proud to be gone, be home in a year with duffle bags out on the lawn

So much money my *****z be countin it wrong, so many hits

I can't keep count of the songs and we still grindin, stainless still nine

And ya'll still hate but we still shinin let's go Shine, shine, shine
