

# 1000 Doves

## Lady Gaga

I need you to listen to me, please believe me  
I'm completely lonely, please don't judge me  
When your tears are falling, I'll catch them as they fall  
I need you to listen to me, please don't leave me  
I'm not perfect yet but I'll keep trying  
When your tears are falling, I'll catch them as they fall 'Cause inside we are really made the same  
In life, waiting's just a stupid game Lift me up, give me a start  
Cause I've been flying with some broken arms  
Lift me up, just a small touch  
And I'll be flying like a thousand doves  
A thousand do-oh-oh-oh-oh-oh-ves  
Oh-oh  
A thousand do-oh-oh-oh-oh-oh-ves  
Oh-oh I'd do anything for you to really see me  
I am human and visibly bleeding  
When your smile is shaking, I'll catch you as you fall I cry more than I ever say  
Each time your look seems to save the day Lift me up, give me a start  
Cause I've been flying with some broken arms  
Lift me up, just a small touch  
And I'll be flying like a thousand doves A thousand do-oh-oh-oh-oh-oh-ves  
Oh-oh  
A thousand do-oh-oh-oh-oh-oh-ves  
Oh-oh  
I've been hurting, stuck inside a cage  
So hot my heart's been in a rage  
If you love me, then just set me free  
And if you don't, then baby leave  
Set me free Lift me up, give me a start  
Cause I've been flying with some broken arms  
Lift me up, just a small touch  
And I'll be flying like a thousand doves A thousand do-oh-oh-oh-oh-oh-ves  
Oh-oh  
Flying, flying, flying like a thousand doves  
A thousand do-oh-oh-oh-oh-oh-ves  
Oh-oh  
Flying, flying, flying like a thousand doves  
Flying, flying, flying
