

# Make You Happy

MIKA

All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy Baby you ain't tryin'  
If I said I'm upbeat, I'd be lying  
Show me what your hiding  
But if this is love then watch me die on you All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy  
Maybe you can't hear me  
But I feel like screaming when you're near me  
Save me from your theories  
At the very least just let me cry on you Undervalued, I can't be far from the truth  
Maybe I knew, hardly a bolt from the blue All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy Love and hate each other  
If we can't get it together  
You know we'll never, ever, ever Fix a heart, don't break it  
Can't you see the love around you?  
You know, you're crazy not to take it  
Undervalued, I can't be far from the truth  
Maybe I knew, hardly a bolt from the blue All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy Whatchya gonna do? I am not over you  
Whatchya gonna do? I am not over you  
Whatchya gonna do? I am not over you  
Whatchya gonna do? I am not over you Never gonna give you up  
Never gonna sort you out  
Where's it gonna get ya?  
I'm never gonna let you down! Never gonna give you up  
Never gonna sort you out  
Where's it gonna get ya?  
I'm never gonna let you down! Never gonna give you up  
Never gonna sort you out  
Where's it gonna get ya?  
I'm never gonna let you down! Never gonna give you up  
Never gonna sort you out

Where's it gonna get ya? All I wanna do is make you happy  
All I wanna do is make you happy  
All I wanna do is make you happy
