

# If You Say So

Lea Michele

It's been seven whole days, seven whole days  
Since you paralyzed me  
Seven whole days, seven whole days  
Since you lost your fight  
And I can't get the last words that you said  
Can't get those words out of my head  
Seven whole days, seven whole days and four words  
And I can't get away from the burning pain  
I light you wake  
And the fallen hero haunts my thoughts  
How could you leave me this way?  
It's been seven whole days without your embrace  
I wanna see your face  
I got some things to say  
Was just a week ago  
You said, "I love you girl"  
I said, "I love you more"  
Then a breath, a pause, you said, if you say so  
If you say so  
if you say so  
It's been seven whole days, seven whole days  
Since I heard the phone ring  
Seven whole days, seven whole days  
Since I heard your voice  
And I can't get the last words that you said  
Can't get those words out of my head  
It's been seven whole days, seven whole days of pure hurt  
And I can't get away from the burning pain  
I light you wake  
And the fallen hero haunts my thoughts  
How could you leave me this way?  
It's been seven whole days without your embrace  
I wanna see your face  
I got some things to say  
Was just a week ago  
You said, "I love you girl"  
I said, "I love you more"  
Then a breath, a pause, you said, if you say so  
If you say so  
If you say so  
If you say so  
I can't believe it's true  
I keep looking for you  
I check my phone and wait to hear from you  
In a crowded room  
The joker is so cruel  
And now I'll never know if all I've been told is just a lie so false  
I thought we would grow old

Mirrors in the smoke  
Left me here to choke  
It's been seven whole days without your embrace  
I wanna see your face  
I got some things to say  
Was just a week ago  
You said, "I love you girl"  
I said, "I love you more"  
Then a breath, a pause, you said, if you say so  
If you say so  
If you say so  
If you say so
