

When It's Love

Sammy Hagar & The Circle

Everybody's lookin' for somethin'
Somethin' to fill in the holes
We think a lot but don't talk much about it
'Till things get out of control, oh How do I know when it's love?
(I can't tell you but it lasts forever, ooh)
How does it feel when it's love?
(It's just somethin' you feel together)
(When it's love, yeah) You look at every face in a crowd
Some shine and some keep you guessin'
Waitin' for someone to come into focus
Teach you your final love lesson
How do I know when it's love?
(I can't tell you but it lasts forever)
How does it feel when it's love?
(It's just something you feel together, ooh) Oh, when it's love
Oh, you can feel it, yeah
Nothin's missin', aww Yeah, you can feel it
Oh, when it's love
When nothin's missing, aww How do I know when it's love?
(I can't tell you but it lasts forever)
How does it feel when it's love?
(It's just something you feel together, hey) How do I know when it's love?
(I can't tell you but it lasts forever)
(When it's love, ooh)
Ooh, when it's love
You wanna feel it in your heart
And there ain't no doubt about it
We'll make it last forever When it's love
It's got to be love We'll make it last forever
When it's love
Watch out pal
You feel it
Can't you feel it? Yeah
