

Start Again (feat. Logic)

OneRepublic

[Chorus: OneRepublic]

Can't I just turn back the clock?

Forgive my sins

I just wanna roll my sleeves up

And start again

I know that I messed it up

Time and time again

I just wanna roll my sleeves up

And start again[Verse 1: OneRepublic]

I was switchin' up the lanes

Steppin' out the frame I'm in

I was pulling on the reigns

Sick off all the same happenin'

I swear I was looking for disaster

Mixed with a bottle of gin

And just because I come home after

Doesn't mean you'll take me in

[Pre-Chorus: OneRepublic]

You see my world is spinning like there's nothing to know

You see my world is feeling like it just might explode

And yes I know it's hard to take it backwards from my mind

I need to get a ride, need to see some light come in[Chorus: OneRepublic]

Can't I just turn back the clock?

Forgive my sins

I just wanna roll my sleeves up

And start again

I know that I messed it up

Time and time again

I just wanna roll my sleeves up

And start again

[Verse 2: Logic]

Feelin' like maybe I'm unappreciated

Like my presence in your life has been alleviated

I feel like everything I've done before is different now

But I can see clearer than ever from a distance now

Every day I do it, I been goin' through it

But you never knew it 'cause I never showed you

You gave me the world, so I feel I owed you

I been lookin' through the mirror and that's the old you

Imma get it right now, don't know how

But I promise that we're gonna make it somehow

I'm all in, it's from the heart again

Open up your mind and maybe we could start again[Chorus: OneRepublic]
Can't I just turn back the clock?
Forgive my sins
I just wanna roll my sleeves up
And start again
I know that I messed it up
Time and time again
I just wanna roll my sleeves up
And start again[Refrain: OneRepublic]
Oh-oh-ohhh, oh-oh-oh
Oh-oh-ohhh, oh-oh-oh[Outro: OneRepublic]
And yes I know it's hard to take it backwards from my mind
I need to get a ride, need to see some light come in
Can't I just turn back the clock?
Forgive my sins
I just wanna roll my sleeves up
And start again
