

# Conqueror

## AURORA

Broken mornings, broken nights and broken days in between  
Open ground, the sky is open, makes an open sea

Oh-Oh

Just like in fiction, in every addiction

Oh-Oh

Oh fantasy's taking over, awake me I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way Broken me and broken them

You are broken too

Open ears, their eyes are open

Makes me call for you

Oh-Oh

But there's no seduction only destruction

Oh-Oh

Oh fantasy take me over and break me I've been looking for the conqueror

But you don't seem to come my way I've been looking for the only one But you don't seem to  
come my way

I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way

I feel ali-li-live

I feel ali-li-live

I feel ali-li-live

I feel ali-li-live

I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way

I've been looking for the conqueror

But you don't seem to come my way

I've been looking for the only one

But you don't seem to come my way

I feel ali-li-live

I feel ali-li-live

I feel ali-li-live

I feel ali-li-live
