

With or Without You

Sweet Little Band

See the stone set in your eyes
See the thorn twist in your side I wait for you Sleight of hand and twist of fate
On a bed of nails she makes me wait
And I wait without you With or without you
With or without you Through the storm we reach the shore
You give it all but I want more
And I'm waiting for you With or without you
With or without you
I can't live
With or without you
And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away My hands are tied
My body bruised, she's got me with
Nothing to win and
Nothing left to lose And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away With or without you
With or without you
I can't live
With or without you
With or without you
With or without you
I can't live
With or without you
With or without you
