

# I Should Tell You

## Rent

I should tell you, I'm disaster  
I forget how to begin it  
Let's just make this part go faster  
I have yet to be in it I should tell you, I should tell you  
I should tell you, I should tell you I should tell I blew the candle out  
Just to get back in  
I'd forgotten how to smile  
Until your candle burned my skin  
I should tell you, I should tell you  
I should tell you, I should tell Well, here we go, now we, oh no  
I know this something is here goes  
Here goes, guess so it's starting to  
Who knows? Who knows? Who knows where? Who goes there?  
Who knows? Here goes Trusting desire, starting to learn  
Walking through fire without a burn  
Clinging a shoulder a leap begins  
Stinging and older, asleep on pins  
So here we go, now we, oh no  
I know, oh no  
Who knows where? Who goes there? Here goes, here goes  
Here goes, here goes  
Here goes, here goes
