

We Own the Night

The Wanted

May our hearts be full like our drinks tonight
May we sing and dance 'till we lose our minds
We are only young if we seize the night
Tonight we own the night
Tonight we own the nightLa la la la la
La la la laWhen my time is over, lying in my grave
Written on my tombstone, I want it to say
This man was a legend, a legend of his time
When he was at a party, the party never diedHey, everybody's got a dream so what do you say?
Are we making history?
May our hearts be full like our drinks tonight
May we sing and dance 'till we lose our minds
We are only young if we seize the night
Tonight we own the night
Tonight we own the nightLa la la la la
La la la laFor tonight I'm famous, for tonight I'm King
And I will be remembered, for centuries they'll say
This man was a hero, a hero of the night
When he was at a party, the party never diedHey, I'm a little drunk, but I got something to
sayMay our hearts be full like our drinks tonight
May we sing and dance 'till we lose our minds
We are only young if we seize the night
Tonight we own the night
And let us wake up inside a stranger's bed
Let us drink until there is nothing left
And this night my friends, we will not forget
Tonight we own the night
Tonight we own the night
May our hearts be full like our drinks tonight
May we sing and dance 'till we lose our minds
We are only young if we seize the night
Tonight we own the night
Tonight we own the night
