

Playinwitme (Remix) [feat. Logic and Kehlani]

KYLE

[Chorus: KYLE]

Girl, why are you playin' with me?

Girl, who are you playin' with?

You've been on that new stuff

I've been on the same shit

Girl, why are you playin' with me?

I don't got the time for that

Might need me a refund, haha

I'ma need that time back

[Verse 1: KYLE]

You say you'll try

I've heard that lie a thousand times before

I'm not sad, I'm not cryin'

If you mad, that's fine, but I think that I should go

Yeah, why you tryna play me?

You be in it different, you are not bein' the same-y

You could have had Gucci, but now that's Old Navy

And your homegirl wanna date me, she shady, baby [Chorus: KYLE]

Girl, why are you playin' with me?

Girl, who are you playin' with?

You've been on that new stuff

I've been on the same shit

Girl, why are you playin' with me? (With me, with me)

I don't got the time for that

Might need me a refund, yeah

I'ma need that time back

[Verse 2: Kehlani]

Damn, why are you playin' with me?

You don't even like girls, ha

So I need you to tell me, baby

What you want just like the Spice Girls

It's confusin' 'cause you're flirty

But you ain't gon' be the one to say you ever did me dirty

I got pride for that, pay no mind to that

But believe me, if it's fire, I'll make time for that

I'll be faithful, Johnny Cash, walk the line for that

Otherwise I'll just be single and I'm fine with that, huh [Chorus: Kehlani]

Girl, why are you playin' with me?

Girl, who are you playin' with?

You've been on that new stuff

And I've been on the same shit

Girl, why are you playin' with me?

I ain't got the time for that
Might need me a refund, yeah
'Cause I'ma need that time back[Post-Chorus: KYLE]
Girl, why are you playin' with me?
Girl, who are you playin' with?
Girl, why are you playin' with me?
Girl, who are you playin' with?[Bridge: Kehlani & KYLE]
Girl, who are you playin' with? Yeah
Who, yeah
Yeah

I've been on the same shit[Chorus: Kehlani, KYLE, Kehlani & KYLE]
Girl, why are you playin' with me?
Girl, who are you playin' with? Huh
You've been on that new stuff
And I've been on the same shit
Girl, why are you playin' with me?
I don't got the time for that
Might need me a refund (refund)
I'ma need that time back, yeah[Outro: KYLE]
Da-da-da
