

Feel Your Love

Valentino Khan

I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over me
I feel your love taking over

Your love taking over I feel your love taking over me

I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
I feel your love taking over
I feel your love taking over me
