

# Mistaken (feat. Alex Aris)

Martin Garrix & Matisse & Sadko

Oh, we've been at it for so, so long  
And you keep telling me that I'm wrong  
And your eyes only see what they want to see  
And now you're blinded when I leave And all I say is no  
I am not mistaken  
This time I am sure  
No, I am not mistaken  
Whatever it is, I am sure  
I am sure  
I am sure  
I am sure  
I am sure  
I am sure Oh, I've been waiting for the day  
When things will never ever be the same  
Locked down, 'cause we're already in too deep  
They lie when they claim we are asleep And all I say is no  
I am not mistaken  
This time I am sure  
No, I'm not mistaken  
Whatever it is, I am sure  
I am sure  
I am sure  
Mistaken  
Mistaken  
I am sure  
Mistaken  
Mistaken  
I am sure
