

Turn Me On (feat. Vula)

Riton & Oliver Heldens

Living life all wrong
'Cause I thought I knew what love was
But my heart it was made of stone I was out there seeking after hours
For money, looks and power
But all that glows, ain't always gold And just give me some love
'Cause I'm running out of that feeling
Doctor prescribe me that drug
'Cause I need some more of your healing
Baby turn me on, turn me on (Healing)
Baby turn me on, turn me on (Healing)
Baby turn me on, turn me on (Healing)
You know just what I'm needing (Dr. Love)
(Dr. Love)(Dr. Love)(Dr. Love) Living life in darkness
This fight is full of nonsense
Trying to navigate through my mistakes
But ever since I met someone who taught me
That love is like a party
I can never dim the lights again And just give me some love
'Cause I'm running out of that feeling
Doctor prescribe me that drug
'Cause I need some more of your healing
Baby turn me on, turn me on (Healing)
Baby turn me on, turn me on (Healing)
Baby turn me on, turn me on (Healing)
You know just what I'm needing
(Dr. Love)(Dr. Love)(Dr. Love) And just give me some love
'Cause I'm running out of that feeling
Doctor prescribe me that drug
'Cause I need some more of your healing
Baby turn me on, turn me on (Healing)
Baby turn me on, turn me on (Healing)
Baby turn me on, turn me on (Healing)
You know just what I'm needing (Dr. Love)(Dr. Love)(Dr. Love) Dr. Love
You know just what I'm needing
(Dr. Love)
