

# This Is Your Life

## Switchfoot

Yesterday is a wrinkle on your forehead  
Yesterday is a promise that you've broken  
Don't close your eyes  
Don't close your eyes  
This is your life and today is all you've got now  
Yeah  
And today is all you'll ever have  
Don't close your eyes  
Don't close your eyes  
This is your life  
Are you who you want to be  
This is your life  
Are you who you want to be  
This is your life  
Is it everything you dreamed it would be  
When the world was younger  
And you had everything to lose  
Yesterday is a kid in the corner  
Yesterday is dead and over  
This is your life,  
Are you who you want to be  
This is your life  
Are you who you want to be  
This is your life  
Is it everything you dreamed it would be  
When the world was younger  
And you had everything to lose  
Don't close your eyes  
Don't close your eyes  
Don't close your eyes  
Don't close your eyes  
This is your life  
Are you who you want to be  
This is your life  
Are you who you want to be  
Yeah  
This is your life  
Are you who you want to be, who you want to be yeah  
This is your life  
Are you who you want to be (who you want to be)  
This is your life  
Is it everything you dreamed it would be  
When the world was younger  
And you had everything to lose  
And you had everything to lose
