

On My Own (feat. Corey Taylor)

Travis Barker

Yeah I've been down for a very long time
I've given up on everyone
I need a minute
I know it's complicated
But it always got to happen to me I don't win
I don't care
It doesn't mean I don't give my share I let it go
I let it out
Let me tell you what I'm talking about [Chorus]
Oh, that's alright
I'm on the ropes, but I'm ready to fight
Stick around 'cause I can't be left alone
Oh, that's ok
I wouldn't have it any other way
I took the chance, and I made it on my own I don't wanna brag and I don't wanna burn
I fucked up and I'll never learn
Wait a minute, I know I'm gonna hate it
So I'm gonna get it over with I don't stop
I don't care
Still up but it doesn't seem fair
I want to go
I want out
'Cause I don't know what I'm talking about [Chorus]
Oh, that's alright
I'm on the ropes, but I'm ready to fight
Stick around 'cause I can't be left alone
Oh, that's ok
I wouldn't have it any other way
I took the chance, and I made it on my own I made it on my own
Oh yeah [Chorus]
Oh, that's alright
I'm on the ropes, but I'm ready to fight
Stick around 'cause I can't be left alone Oh, that's ok
I wouldn't have it any other way
I took the chance, and I made it on my own
Made it on my own Yeah
