

# Red Red Wine (Edit)

UB40

Red, red wine, goes to my head,  
Makes me forget that I  
Still need you so  
Red, red wine, it's up to you  
All I can do, I've done  
Memories won't go  
Memories won't go  
I'd have sworn that with time  
Thoughts of you would leave my head  
I was wrong, now I find  
Just one thing makes me forget  
Red, red wine, stay close to me  
Don't let me be alone  
It's tearing apart  
My blue, blue heart  
I'd have sworn that with time  
Thoughts of you would leave my head  
I was wrong, now I find  
Just one thing makes me forget  
Red, red wine, stay close to me  
Don't let me be alone  
It's tearing apart  
My blue, blue heart  
Red, red wine, stay close to me  
Don't let me be alone  
It's tearing apart  
My blue, blue heart
