

# Bad Girl Pt. 2

Lee Moses

Big brother told me not to fall in love  
With an older woman (ha ha) Love, don't you treat me like a king,  
But I'd never let her know  
That I'd fallen in love with a wonderful woman  
That's good to me. (ha) She very good, very bad, very good,  
But our love got to be another thing, and I say  
Dear god, I may be wrong for saying these words,  
Forget you, I'll be happy with that woman.  
Let me shield all pain and all agony,  
My life will always be at ease.  
Forgive me darling, forgive me darling,  
But I gotta have - lord have mercy Bad, bad girl Bad, bad girl  
Bad girl, mama  
Lord have mercy Bad, bad girl Bad, bad girl...
