

# Teeth

## Lady Gaga

Don't be scared  
I've done this before  
Show me your teeth  
Show me your teeth  
Show me your teeth Don't want no money (want your money)  
That shit's ugly  
Just want your sex (want your sex)  
Take a bite of my bad girl meat (bad girl meat)  
Take a bite of me  
Show me your teeth  
Let me see your mean  
Got no direction (no direction)  
I need direction  
Just got my vamp (got my vamp)  
Take a bite of my bad girl meat (bad girl meat)  
Take a bite of me, boy  
Show me your teeth  
The truth is sexy Tell me something that'll save me  
I need a man who makes me alright (man who makes me alright)  
Just tell me when it's alright  
Tell me something that'll change me  
I'm gonna love you with my hands tied Show me your teeth (just tell me when)  
Show me your teeth (open your mouth, boy)  
Show me your teeth (show me what you got)  
Show me your teeth, teeth, teeth, teeth  
Got no salvation (no salvation)  
Got no salvation  
Got no religion (no religion)  
My religion is you  
Take a bite of my bad girl meat (bad girl meat)  
Take a bite of me, boy  
Show me your teeth  
I'm a tough bitch Got my addictions (my addictions)  
And I love to fix 'em (and I love to fix 'em)  
No one's perfect  
Take a bite of my bad girl meat (bad girl meat)  
And I'm not a bad woman  
Show me your teeth  
I just need a little guidance Tell me something that'll save me  
I need a man who makes me alright (man who makes me alright)  
Just tell me when it's alright  
Tell me something that'll change me

I'm gonna love you with my hands tied Show me your teeth (just tell me when)  
     Show me your teeth (open your mouth, boy)  
     Show me your teeth (show me what you got)

     My religion is you  
     My religion is you Help, need a man  
         Now show me your fangs

 I'm gonna love you with my hands tied Show me your teeth (just tell me when)  
     Show me your teeth (open your mouth, boy)  
     Show me your teeth (show me what you got)  
 Show me your teeth, teeth, teeth, teeth Show me your teeth  
     It's not how big, it's how mean  
 It's not how big, it's how mean Show me your teeth  
     Show me your teeth  
     Show me your teeth  
     Show me your teeth
