

A Perfectly Good Heart

Taylor Swift

Why would you wanna break a perfectly good heart?
Why would you wanna take our love and tear it all apart, now?
Why would you wanna make the very first scar?
Why would you wanna break a perfectly good heart?
Maybe I should've seen the signs, should've read the writing on the wall
And realized by the distance in your eyes that I would be the one to fall
No matter what you say, I still can't believe
That you would walk away
It don't make sense to me, but
Why would you wanna break a perfectly good heart?
Why would you wanna take our love and tear it all apart, now?
Why would you wanna make the very first scar?
Why would you wanna break a perfectly good heart?
It's not unbroken anymore
How do I get it back the way it was before?
Why would you wanna break a perfectly good heart?
Why would you wanna take our love and tear it all apart, now?
Why would you wanna make the very first scar?
Why would you wanna break a perfectly good heart?
Why would you wanna break a perfectly good heart?
Why would you wanna take our love and tear it all apart, now?
Why would you wanna make the very first scar?
Why would you wanna break a perfectly good heart?
