

Good Old Boy, Bad Old Boyfriend

Blake Shelton

Baby, baby, baby
He's got you cryin' again
Baby, baby, baby
He's got you cryin' again He's a good old boy but he's a bad old boyfriend I know that he loves
you
Looks like he'd show it now and then
I know that he loves you
Looks like he'd show it now and then
He's a good old boy but he's a bad old boyfriend He kicks off his shoes, throws down this coat
Opens a beer, grabs the remote
You're never heard, you're seldom seen
A joker don't deserve a queen Baby, baby, baby
Why don't you just get rid of him?
Tell him to go
He's a good old boy but he's a bad old boyfriend
That's right He makes you cry, I'll make you laugh
He rubs you wrong, I'll rub your back
You're never heard, you're seldom seen
A joker don't deserve a queen
Baby, baby, baby
Why don't you just get rid of him?
Bye Bubba
He's a good old boy but he's a bad old boyfriend
He's a good old boy but he's a bad old boyfriend
Good old boy, bad old boyfriend
