

# I Wanna Do It All

Terri Clark

I'm sitting in traffic for the fifth year in a row  
Wasting my time just to get where I don't even wanna go  
I started jotting things down on a Krispy Kreme sack  
Everything I'd do if I could leave this place and never look back I wanna do it all  
Visit Paris in the fall  
Watch the Yankees play ball  
I wanna take it all in  
Catch a few beads down at Mardi Gras  
Start a tradition, lay down the law  
I wanna do it all I want to drink tequila down in Tijuana  
Say "why not" when somebody says "hey, do you wanna"  
I wanna get my heart broke once or twice  
Settle down with the love of my life, rock little babies to sleep at night  
I wanna do it all  
Visit Paris in the fall  
Watch the Yankees play ball  
I wanna take it all in  
Catch a few beads down at Mardi Gras  
Start a tradition, lay down the law  
I wanna do it all I wanna spend a day every now and then  
Just doing what I wanna do when I wanna do it  
Anytime I wanna do it I wanna do it all  
Visit Paris in the fall  
Watch the Yankees play ball  
I wanna take it all in  
Catch a few beads down at Mardi Gras  
Start a tradition, lay down the law  
I wanna do it all  
See Niagara falls  
Fight city hall  
Feel good in my skin  
Beating the odds with my back to the wall  
Try to rob Peter without paying Paul  
I wanna do it all  
I wanna do it all  
I wanna do it all
