

Bad Man (feat. Mystikal)

T.Q.

feat Mystikal

Rap track, killer, fall back

You watch that, swig up, ...

Fuck up figure, hot round to get her

When we come suspicious, tell the boss...

Where s my fucking slippers

Bitch respect a gangster, fuckin thank us,

You s a fucking peasant, I m an aligator

On the elevator

[Chorus]

I make big money, I drive big cars

Everybody know me

It s like I m a monster

I m a bad man, hey

I m a bad, bad man

Ain t nothing funny, a nigga got bars

Triple og, I ve been wherever you are

I m a bad man, I m a bad, bad man

I put been anything on, but the whip s down

I m ridin so low, it don t look like I m touchin the ground

You can see the black dots ...come to the sound

Cute bitch at my side

Just respect a nigga like me, suicide

[Chorus]

I make big money, I drive big cars

Everybody know me

It s like I m a monster

I m a bad man, hey

I m a bad, bad man

Ain t nothing funny, a nigga got bars

Triple og, I ve been wherever you are

I m a bad man, I m a bad, bad man

You don t know what it s like

To be the bad man, bad man

Bad man, bad man, alright, bad man

You don t know what it s like

To be the bad man, bad man

Bad man, bad man, alright, bad man

For silly little nigga cop back when they act retarded

Is anybody else ...this neighborhood belongs to me

And let them know we throw a lot of busts on the 118, yeah

[Chorus]

I make big money, I drive big cars
Everybody know me
It s like I m a monster
I m a bad man, hey
I m a bad, bad man
Ain t nothing funny, a nigga got bars
Triple og, I ve been wherever you are
I m a bad man, I m a bad, bad man
You don t know what it s like
To be the bad man, bad man
Bad man, bad man, alright, bad man
You don t know what it s like
To be the bad man, bad man
Bad man, bad man, alright, bad man
I ve just been rappin and talkin by
Cause motherfuckers been occupied...
Criss wanna bust with the drunken high
Can t understand if they cover they eyes...

[Chorus]

I make big money, I drive big cars
Everybody know me
It s like I m a monster
I m a bad man, hey
I m a bad, bad man
Ain t nothing funny, a nigga got bars
Triple og, I ve been wherever you are
I m a bad man, I m a bad, bad man
You don t know what it s like
To be the bad man, bad man
Bad man, bad man, alright, bad man
You don t know what it s like
To be the bad man, bad man
Bad man, bad man, alright, bad man.
