

People Got a Lotta Nerve

Neko Case

So the saying says "an elephant never forgets"
Standing in a concrete cave
Swaying sad and insane They walked over the ocean in their dreams they dream awake
Until the lights grew dim
Until the cop cars came
Everybody tells me this is crazy yes, I know it I'm a man-man-man, man-man-man eater
But still you're surprised 'prised 'prised when I eat you
You know they call them "killer" whales
But you seem surprised when it pinned you down
To the bottom of the tank
Where you can't turn around
It took half your leg and both your lungs
"When I craved I ate hearts of sharks, I know you know it"
I'm a man-man-man, man-man-man eater
But still you're surprised 'prised 'prised when I eat you
Yes I'm a man-man-man, man-man, man-eater
But still you're surprised 'prised 'prised when I eat you It will end again in bullets fired
It will end again in bullets fired
