

Half of My Heart

John Mayer

I was born in the arms of imaginary friends
Free to roam, made a home out of everywhere I've been
Then you come on crashing in
Like the realest thing
Tried my best to understand
All that your love can bring Half of my heart's got a grip on the situation
Half of my heart takes time
Half of my heart's got the right mind to tell you
That I can't keep loving you
With half of my heart I was made to believe I'd never love somebody else
Made a plan, stayed the man who can only love himself
Lonely was the song I sang
'Til the day you came
Showing me another way
And all that my love can bring
Half of my heart's got a grip on the situation
Half of my heart takes time
Half of my heart's got the right mind to tell you
That I can't keep loving you
With half of my heart
With half of my heart Your faith is strong
But I can only fall short for so long
Down the road later on
You will hate that I never gave more to you
Than half of my heart
But I can't stop loving you I can't stop loving you
I can't stop loving you
With half of my Half of my heart
Half of my heart
Half of my heart's got a real good imagination
Half of my heart's got you
Half of my heart's got a right mind to tell you
That half of my heart won't do Half of my heart is a shotgun wedding
To a bride with a paper ring
And half of my heart is the part of a man
Who's never truly loved anything Half of my heart
