

Aaa

They Might Be Giants

What's behind the door
Behind the pile of furniture?Aaa!
Aaa!Reach inside the wall and feel around
I think there's something there
Aaa!
Aaa!Who's that hiding underneath the blanket?
Pull it off and see
Aaa!
Aaa!Don't you think it's time
That we remove these bandages?
Aaa!
Aaa!What's this button do?
I wonder what's inside this ticking
Package that's addressed to me?
How are sausages made
And what am I made of?I'm gonna find out nowAaa!
Aaa!
Aaa!I'm gonna find out nowHow's it going, baby?
Tell me, is there something on your mind?Aaa!
Aaa!
Why'd you turn away?
Turn your head around so I can seeAaa!
Aaa!Why'd you hesitate?
What was the thing you were about to say?Aaa!
Aaa!Is there something else
That you haven't been telling me?
Aaa!
Aaa!Is there any truth to the story
That I heard from this guy
That if you peel apart a golf ball
That deep inside
They put some alien blood?
I'm gonna find out nowAaa!
Aaa!
Aaa!I'm gonna find out nowWhat's this button do?
I wonder what's inside this ticking
Package that's addressed to me?
How are sausages made
And what am I made of?
I'm gonna find out nowAaa!
Aaa!
Aaa!I'm gonna find out nowAaa!

Aaa!
Aaa! I'm gonna find out now
