

Rock-A-Beatin' Boogie

Bill Haley & His Comets

Rock, rock, rock, everybody
Roll, roll, roll, everybody
Rock a beating boogie beat. You take a rock, you take a beat
You take a boogie, you make it sweet
You take a rock a beating boogie
Rock a beating boogie beat
Well, rock a beating boogie
B-O-O-G-I-E.

Well, we're rocking to the rhythm
Of the rock a beating boogie
Dancing to the rhythm
Of the rock a beating boogie
Shaking to the rhythm
Of the rock a beating boogie
Jumping to the rhythm
Of the rock a beating boogie
Romping to the rhythm
Of the rock a beating boogie
B-O-O-G-I-E.

You gotta jump, you gotta jive
You gotta dance to be alive
You take a rock a beating boogie
Rock a beating boogie beat
Well, rock a beating boogie
B-O-O-G-I-E.
