

New Sensation

[INXS](#)

Live baby live
Now that the day is over
I gotta new sensation
In perfect moments
Well so impossible to refuse Sleep baby sleep
Now that the night is over
And the sun comes
Like a god into our room
All perfect light and promises Gotta hold on you
A new sensation, a new sensation
Right now gonna take you over
A new sensation, a new sensation
Dream baby dream
Of all that's come and going
And you will find out in the end
There really is,
There really is no difference Cry baby cry
When you got to get it out
I'll be your shoulder
You can tell me all
Don't keep it in ya Well that's the reason why I'm here
Hey hey
Are you ready for a new sensation, new sensation
Right now
Gonna take you on a new sensation, new sensation
A new sensation, a new sensation
A new sensation
Hate baby hate
When there's nothing left for you
You're only human what can you do
It'll soon be over
Don't let your pain take over you Love baby love
It's written all over your face
There's nothing better we could do
Than live forever
Well that's all we've got to do
Hey now I'm gonna take a new sensation, a new sensation
Right now
Gotta hold on you
A new sensation, a new sensation
A new sensation, a new sensation
A new sensation
