

To Make You Feel My Love

Country Music Ensemble

When the rain is blowing in your face
And the whole world is on your case
I would offer you a warm embrace To make you feel my love When the evening shadows and
the stars appear
And there is no one there to dry your tears
I could hold you for a million years
To make you feel my love Know you haven't made your mind up yet
But I would never do you wrong
Known it from the moment that we met
No doubt in my mind where you belong
I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
There ain't nothing that I wouldn't do
To make you feel my love Storms are raging on the rollin' sea
Down on the highway of regret
The winds of change are blowing wild and free
But you ain't seen nothing like me yet
There ain't nothing that I wouldn't do Go to the ends of the earth for you Make you happy, make
your dreams come true
To make you feel my... love
