

Me and Your Mama

Childish Gambino

I'm in love when we are smokin' that la-la-la-la-la
I'm in love when we are smokin' that la-la-la-la-la
I'm in love when we are smokin' that la-la-la-la-la
I'm in love when we are smokin' that la-la-la-la-la
I'm in love when we are smokin' that la-la-la-la-la
I'm in love when we are smokin' that la-la-la-la-la
I'm in love when we are smokin' that la-la-la-la-la
I'm in love when we are smokin' that la-la-la-la-laDo what you want!
I'm telling you
Let me into your heart!
Can't stand it, backhanded!
They wanna see us fallin' apart!
You know that I love you!
So let me into your heart!Let me into your heart
Do you really love me?
I'm gon' get you, girl, ahhhh!This is the end of us!
Sleeping with the moon and the stars!
I know where you've been, you can see the sun!Let me into your heart!
Oh, this ain't no bullshit!
I really love you, girl!Girl you really got a hold on me
So this isn't just puppy love
Girl you really got a hold on me
So this isn't just puppy love
[Outro
I'm in love when we are smokin' that
Oh my God, I
Let me into
Girl you really got a hold, woo!
