

Smart Patrol / Mr. DNA

Devo

He's been with the world
I'm tired of the soup du jour
He's been with the world
Wanna end this prophylactic tour
Afraid nobody around here
Understands my potato
Think I'm only a spudboy
Looking for a real tomato
He's been with the world
I'm tired of the soup du jour
He's been with the world
I wanna end this prophylactic tour
Afraid nobody around here
Understands my potato
I think I'm only a spudboy
Looking for a real tomato
He's been with the world
And I'm tired of the soup du jour
He's been with the world
I wanna end this prophylactic tour
Afraid nobody around here
Comprehends my potato
Guess I'm just a spudboy
Looking for that real tomato
Smart Patrol, nowhere to go
Suburban robots that monitor reality
Common stock, we work around the clock
We shove the poles in the hole
We're Smart Patrol, nowhere to go
Suburban robots that monitor reality
Common stock, we work around the clock
We shove the poles in the hole
We're Smart Patrol, nowhere to go
Suburban robots that monitor reality
Common stock, we work around the clock
We shove the poles in the hole, shove it
We're Smart Patrol, nowhere to go
Suburban robots that monitor reality
Common stock, we work around the clock
We shove the poles in the hole
Wait a minute, something's wrong
He's the man from the past
He's here to do us a favor
A little human sacrifice
It's just supply and demand
Mr. Kamikazi, Mr. DNA
He's an altruistic pervert
Mr. DNA, Mr. Kamikazi
Here to spread some genes
Mr. Kamikazi, Mr. DNA
He's an altruistic pervert
Mr. DNA, Mr. Kamikazi

Here to spread some genes nowMr. Kamikazi, Mr. DNA
He's an altruistic pervert
Mr. DNA, Mr. Kamikazi
He's here to spread someWait a minute, something's wrong
He's a man with a plan
His finger's pointed at Devo
Now we must sacrifice ourselves
That many others may live
Okay, we've got a lot to giveThis monkey wants a word with youMr. Kamikazi, Mr. DNA
He's an altruistic pervert
Mr. DNA, Mr. Kamikazi
Here to spread some genes nowMr. Kamikazi, Mr. DNA
He's an altruistic pervert
Mr. DNA, Mr. Kamikazi
Here to spread some genesMr. Kamikazi, Mr. DNA
He's an altruistic pervert
Mr. DNA, Mr. Kamikazi
Here to spread some genes1, 2, 3, 4
