

Amazing

George Michael

I was mixed up when you came to me
Too broke to fix
Said 'daddy get you gone, I'm missing my baby'
Still missing my baby...I was stitched up by the hands of fate
Said how you gonna make it on your own
If luck is a lady?
Maybe luck is a lady I was going down for the third time
My heart was broken, I was not open to your suggestions
I had so many questions
That you just kissed away Tell me, I guess that cupid was in disguise
The day you walked in and changed my life
I think it's amazing,
The way that love can set you free
So now I walk in the midday sun
I never thought that my saviour would come
I think it's amazing
I think it's amazing I think you're amazing You tried to save me from myself
Said 'Darling, kiss as many as you want!
My love's still available
And I know you're insatiable' We're like victims of the same disease
Look at your Big Bad Daddy, and your mom
And your mom ...was always acting crazy I was going down for the third time
My heart was broken, I thought that loving you
was out of the question
Then I saw my reflection
Saying please don't let this go
Tell me, I guess that cupid was in disguise
The day you walked in and changed my life
I think it's amazing,
The way that love can set you free
So now I walk in the midday sun
I never thought that my saviour would come
I think it's amazing
I think you're amazing Celebrate the love of the one you're with Celebrate, this life with you baby
I think you should celebrate yeah
Don't put your love in chains baby
No no, walk in the midday sun
I thought I was dreaming
I think it's amazing
I think you're amazing I said celebrate the love of the one you're with As this life gets colder
And the devil inside
Tells you to give up...
