

Sauce It Up

Lil Uzi Vert

Sauce it up, (aye)
Sauce it up, (aye)
Sauce it up, (aye)
Goin' dumb, (aye)
Um
Where you from (aye)
Throw it up, (aye)
Goin' nuts, ayy
Sauce it up, ayy
Sauce it up
Ain't enoughGoin' nuts
Goin' dumb
Where you from?
Goin' nuts, ayy
Goin' dumb
Sauce it up, do too much (do too much)
Ain't enough (ain't enough,) ain't enough (ain't enough)
Where you from? (Where you from?) Throw it up (throw it up)
Goin' nuts, yeah, goin' dumb
Sauce it up, do too much (do too much)
Ain't enough (ain't enough,) ain't enough (ain't enough)
Where you from? (Where you from?) Throw it up (throw it up)
Goin' nuts, yeah, goin' dumbEveryday I'm ballin', so you know I'm scorin'
My bitch so important, my pockets' enormous
These niggas keep hatin', this is their last warning
Met that girl last night, ooh, fucked her through the morning
I don't know that girl, I'm sorry, hate when girls call me
Let 'em know you are not with me, call up on Maury
Cash out, make it rain, no game, Atari
Ride me like a Harley, playboy in the party
I was on the phone, yeah with Playboi Carti
Commes des Garçon, hearts all on my cardi'
I was in a Lamb', Carti, he was in a 'Rari
I'm gon' keep on flexin', if you don't like it then I'm sorry (sorry)
Sauce it up, do too much (do too much)
Ain't enough (ain't enough,) ain't enough (ain't enough)
Where you from? (Where you from?) Throw it up (throw it up)
Goin' nuts, yeah, goin' dumb
Sauce it up, do too much (do too much)
Ain't enough (ain't enough,) ain't enough (ain't enough)
Where you from? (Where you from?) Throw it up (throw it up)
Goin' nuts, yeah, goin' dumbOkay, big guap chase

Big knot havin'
Might money stackin'
This shit extravagant (woah)
This for all my niggas
Them ones that be traffickin'
All my diamonds African
I might go in Actavis
I already had that bitch
Went and got a badder bitch
Persian rug, Alladin shit
That's four hoes like Alladin, bitch
I could serve you
Ayy, let me say it one time
Ayy, serve it 'round, baby girl
Let me serve you
Woo, yeah I said that you wet like Squirtle
Yeah, walk around pigeon-toed, got the bird flu (brrr)
And you think you in love, don't wanna hurt you (woah)
Man I think that I'm done, gotta swerve you
Sauce it up, do too much (do too much)
Ain't enough (ain't enough,) ain't enough (ain't enough)
Where you from? (Where you from?) Throw it up (throw it up)
Goin' nuts, yeah, goin' dumb
Sauce it up, do too much (do too much)
Ain't enough (ain't enough,) ain't enough (ain't enough)
Where you from? (Where you from?) Throw it up (throw it up)
Goin' nuts, yeah, goin' dumb
I'm so awesome
These niggas so bad it's exhaustin'
I swear I'm a stunna like Steve Austin
I swear I'm a stunna like Steve Austin
Ooh, sauce it up
Ooh, do too much
Ooh, where you from?
Ooh, throw it up
Ooh, going nuts
Ooh, going dumb, dumb, dumb
