

# Peanut Butter Jelly (GTA Remix)

## Galantis

Sleepless nights at the Chateau  
Visualize it  
I'll give you something to do  
Kush-Kush wherever we go  
Visualize it  
I'll give you something to do To get a wildfire burning  
Visualize it  
I'll give you something to do Ace high, i'm going all in  
Visualize it  
I'll give you something to do Spread it like peanut butter jelly  
Do it like I owe you some money  
Spread it like peanut butter jelly  
Do it like I owe you some money  
Money, Money, Money...  
Spread it like Spread it like Visualize it  
I'll give you something to do Spread it like  
Sleepless nights at the Chateau  
Visualize it  
I'll give you something to do  
Kush-Kush wherever we go  
Visualize it  
I'll give you something to do To get a wildfire burning  
Visualize it  
I'll give you something to do Ace high, i'm going all in  
Visualize it  
I'll give you something to do  
Spread it like peanut butter jelly  
Do it like I owe you some money  
Spread it like peanut butter jelly  
Do it like I owe you some money  
Money, Money, Money...  
Spread it like  
Spread it like  
Visualize it  
I'll give you something to do  
Spread it like  
Visualize it  
I'll give you something to do  
Visualize it  
I'll give you something to do
