

Get the Party Started

[Shirley Bassey](#)

Get this party started on a Saturday night
Everybody's waitin' for me to arrive
I got lotsa style, check my gold diamond rings
I can go for miles if you know what I mean I'm comin' up so you better get this party started
I'm comin' up so you better get this party started Sendin' out the message to all of my friends
We'll be looking flashy in my Mercedes Benz
I got lot of style, check my gold diamond rings
I can go for miles if you know what I mean
Get this party started on a Saturday night
Everybody's waitin' for me to arrive I'm comin' up so you better get this party started
I'm comin' up, I'm comin'
I'm comin' up so you better get this party started
Pumpin up the volume, breakin' down to the beat
Cruisin' through the west side
We'll be checkin' the scene
Boulevard is freakin' as I'm comin' up fast
I'll be burnin' rubber, you'll be kissin' my glass
Pull up to the bumper, get out of the car
License plate says Stunner N1 Superstar I'm comin' up so you better get this party started
I'm comin' up, I'm comin'
I'm comin' up so you better get this party started
Get this party started, get this party started,
Get this party started, get this party started Makin' my connection as I enter the room
Everybody's chillin' as I set up the groove
Pumpin' up the volume with this brand new beat
Everybody's dancin', and their dancin' for me
I'm your operator, you can call anytime
I'll be your connection to the party line
I'm comin' up so you better get this party started
I'm comin' up, I'm comin'
I'm comin' up so you better get this party started
Get this party started
get this party started
Get this party started
get this party started
Get this party started
get this party started
This party started,
Right now, you
