

# The Sky Is Crying

## Stevie Ray Vaughan & Double Trouble

The sky is cryin... Can't you see the tears roll down the street

The sky is cryin... Can't you see the tears roll down the street

I've been looking for my baby

And I wonder where can she be I saw my baby early one morning... She was walking on down  
the street

I saw my baby early this morning... She was walking on down the street

You know it hurt me, hurt me so bad

Made my poor heart skip a beat I've got a real real real real bad feelin

That my baby she don't love me no more

I've got a real real bad feelin that my baby don't love me no more

well, this guy, this guy's been cryin

Can you see the tears roll down my nose
