

# Angel of Mine

Monica

When I first saw you I already knew  
There was something inside of you  
Something I thought that I would never find  
Angel of mine I looked at you, lookin' at me  
Now I know why they say the best things are free  
I'm gonna love you boy you are so fine  
Angel of mine How you changed my world, you'll never know  
I'm different now, you helped me grow  
You came into my life sent from above  
When I lost all hope you showed me love  
I'm checkin' for you boy you're right on time  
Angel of mine  
Nothing means more to me than what we share  
No one in this whole world can ever compare  
Last night the way you moved is still on my mind  
Angel of mine...  
What you mean to me, you'll never know  
Deep inside I need to show  
You came into my life sent from above  
(Sent from above)  
When I lost all hope, you showed me love (Boy you showed me love)  
I'm checkin' for you, boy you're right on time  
(Right on time)  
Angel of mine  
(Angel of mine)  
I'll never knew I could feel each moment  
As if it were new  
Every breath that I take, the love that we make  
I only share it with you  
(You, you, you, you)  
When I first saw you I already knew  
There was something inside of you Something I thought that I would never find  
Angel of mine You came into my life sent from above  
(Came into my life)  
When I lost all hope you showed me love  
(Boy you showed me love)  
I'm checkin' for you, boy you're right on time  
(But boy your right on time)  
Angel of mine  
(Angel of mine, oh mine)  
How you changed my world, you'll never know  
I'm different now, you helped me grow

I looked at you, lookin' at me  
Now I know why they say the best things are free  
I'm checkin' for you, boy you're right on time  
Angel of mine
