

Taste the Feeling (Avicii vs. Conrad Sewell)

Avicii & Conrad Sewell

It feels good in my heart, in my soul
When you're right here beside me
I don't ever want this day to end
Mmm, we can watch the waves, have a Coke
And just sit here beside me
Ah, take a little of my heart again So we can feel forever, yeah, feel
Together, be real together, and... No one can stop me when I taste the feeling
Nothing could ever bring me down
No one can stop me when I taste the feeling
Nothing could ever bring me down You make it easier to sing, yeah
You make it easier to sing, yeah
Mmm, it feels good as we stand on the shore, and our hearts are jumping
Ah, grab another Coke, and let's dive in
Oh, my love, there's a song in my soul when you are around me
You make it easier to sing, yeah So we can feel forever, yeah, feel
Together, be real together, and... No one can stop me when I taste the feeling
Nothing could ever bring me down
No one can stop me when I taste the feeling
Nothing could ever bring me down With every fading sunset
We see the stars align
We make the simple moments last for a lifetime So we'll feel forever
You and me together
We can stay forever
And be real together
No one can stop me when I taste the feeling
Nothing could ever bring me down
No one can stop me when I taste the feeling
Nothing could ever bring me down You make it easier to sing, yeah
You make it easier to sing, yeah
