

Party In Your Bedroom

Cash Cash

There's a party in your bedroom all night long
 There's a party in your bedroom all night long
 There's a lot of talk about you
 'Cause there's a party in your bedroom all night long
 Pretty girl it's a show, let it go when you're alone
 There's a party in your bedroom all night long
 There's a lot of talk about you
 'Cause there's a party in your bedroom all night long
 Pretty girl it's a show, let it go when you're alone
 Lips sealed tight, don't say goodnight
 Walkin' down the street, keepin' hush, hush on the scene
 No one knows you, such a mystery
 Opposite of fun 'til you turn the power on
 Then you come out turnin' up the heat
 Upstairs all alone, one click for a show
 Your roof is on fire, you're losing control
 There's a party in your bedroom all night long
 There's a lot of talk about you
 'Cause there's a party in your bedroom all night long
 Pretty girl it's a show, let it go when you're alone
 Lips sealed tight don't say goodnight
 Dancing with your hands turning strangers into friends
 Touch the keys please and unlock my heart
 You're free to be a freak, change your picture every week
 Show the camera you're a super star
 Upstairs all alone, one click for a show
 Your roof is on fire, you're losing control
 There's a party in your bedroom all night long
 There's a lot of talk about you
 'Cause there's a party in your bedroom all night long
 Pretty girl it's a show, let it go when you're alone
 There's a party in your bedroom all night long
 There's a lot of talk about you
 'Cause there's a party in your bedroom all night long
 Pretty girl it's a show, let it go when you're alone
 Lips sealed tight don't say goodnight
 It's no debate, when I think of you can't stay on track
 'Cause I can't wait, can't stay on track, can't hide the fact
 You're all I want, you're all I need
 Let's get this party started, kick it hard just you and me
 There's a party in your bedroom all night
 long
 There's a lot of talk about you
 'Cause there's a party in your bedroom all night long
 Pretty girl it's a show, let it go when you're alone
 There's a party in your bedroom all night long
 There's a lot of talk about you
 'Cause there's a party in your bedroom all night long
 Pretty girl it's a show, let it go when you're alone
 Lips sealed tight don't say goodnight
