

No More Words

[Anna Calvi](#)

Hold me down and hold me close tonight
Feel you warm, I feel you by my side Oh, my love
Oh, my love
Oh, my love
Oh, my love Hold me down and give me all your power
Hold me close in every single hour Oh, my love
Oh, my love
Oh, my love
Oh, my love
Oh, my love
Oh, my love Hold me down and give me all your power
Hold me close in every single hour
Oh, my love
Oh, my love
Oh, my love Oh, my love
Oh, my love
Oh, my love
