

# Bait & Switch (Combichrist Remix)

## KMFDM

Fear not what the future holds  
Rest your weary bones  
I'll do the rest  
Careful as I gentle down  
Like a sacred cow  
Give you my best Rest assured  
I know you know  
Truth is good  
To win the goal  
There comes a time  
Fight or flight  
All behold  
The legacy mine  
Hard the herald angels sing  
Glory to the king of kings  
A better life imagined in his eyes  
A veil of finely calibrated lies  
Bait and switch  
One and all, full of shit  
Bait and switch  
Everything in time Follow me  
Down the garden path  
Take you by the hand  
Lead you astray  
Don't look back  
Leave the past behind  
Let bygones be gone  
Live for today  
In control  
Make no mistake  
The world is mine alone to take  
All for one  
One for none  
In god we trust  
To seal our fate
