

# Mapo Tofu

## LAY

You feel like the one when I taste it Oh,  
girl you got me gone I can't shake it You must be a shot 'cause I'm  
faded All on my mind and my tongue oh yeah Lips are so numb,  
hands on my body I don't know what you got but I'm outta control baby  
Juice in my veins I can't stop staring at you You got me going  
inside, you got me feeling all right All in my brain girl,  
make you my main girl We could leave and be alone from this crazy  
world I got time for ya, I'm gon' ride for ya,  
I want you by my side ya' I'm in a trance and you blowing my mind,  
spicy and you are so fine Like Mapo tofu  
(hey oh) Girl Mapo tofu (oh) Like Mapo tofu (  
I love it oh) Girl like Mapo tofu,  
hot like Mapo tofu (oh) Girl I can't shake this feelin' ya' My head  
is through the ceiling My heart is beating like a thunder storm  
Dancing 'cause your body's like a party I can't believe it All in my  
brain girl, make you my main girl We could leave and be alone from  
this crazy world I got time for ya', I'm gon' ride for ya',  
I want you by my side ya' I'm in a trance and you blowing my mind,  
spicy and you are so fine Like Mapo tofu  
(hey oh) Girl Mapo tofu (oh) Like Mapo tofu (  
I love it oh oh oh) Girl like Mapo tofu,  
hot like Mapo tofu (oh) You can take my keys and drive I don't mind,  
you can call anytime Hit my line I  
don't mind, just as long as you're mine (  
I don't mind) Girl I swear that you're the one I been waiting for I'm  
lookin' for the one and girl you make it easy Like  
Mapo tofu (hey oh) Girl Mapo tofu (hey oh) Like Mapo tofu (  
I love it oh) Girl like Mapo tofu, hot like Mapo tofu
