

Some of It

Eric Church

Beer don't keep
Loves not cheap
Trucks don't wreck themselves.
Momma ain't a shrink
Daddy ain't a bank
And god ain't a wishing well
Money ain't rich
Everybody sins, and nobody wins in a fight
And sometimes wrong is right(Chorus)
Some of it you learn the hard way
Some of it you read on a page
Some of it comes from heartbreak
Most of it comes from age
And none of it ever comes easy
A bunch of it, you maybe can't use
I know I probably don't know what I think I do
But there's somethin' to, some of it
Girls like to laugh
Tears don't last
and scared is what praying is for
If its close swing to bat
Everybody's got a pass
And loves worth living for
When you dance hold her close
Til' the brakes go for broke
And be the first to reach for her hand
We don't get to do some things again(Chorus)
Some of it you learn the hard way,
Some of it you read on a page,
Some of it comes from heartbreak
Most of it comes from age
And none of it ever comes easy
A bunch of it, you maybe can't use
I know I probably don't know what I think I do,
But there's somethin' to, some of it
(Instrumental)When you can take it slow
Cause time sure won't
What really makes you a man
Is being true to her until your glass runs out of sand(Chorus)
Some of it you learn the hard way,
Some of it you read on a page,
Some of it comes from heartbreak

Most of it comes from age
And none of it ever comes easy
A bunch of it, you maybe can't use
I know I probably don't know what I think I do,
But there's somethin' to, some of it
Some of it (yeah)
