

# Chariot

Gavin DeGraw

Staring at a maple leaf  
Leaning on the mother tree  
I said to myself we all lost touch  
Your favorite fruit is chocolate covered cherries  
And seedless watermelon, oh  
Nothing from the ground is good enough  
Body rised  
It puts over me Oh chariot your golden waves  
Are walking down upon this face  
Oh chariot I'm singing out loud  
To guide me  
Give me your  
Strength  
Remember seeking moons rebirth  
Rains made mirrors of the earth  
The sun was just yellow energy  
It is a living promise land  
Even over fields of sand  
Seasons fill my mind and  
Cover me  
From bringing back  
More than a memory Oh chariot your golden waves  
Are walking down upon this face  
Oh chariot I'm singing out loud  
To guide me  
Give me your  
Strength  
You'll be my vacation away from this place  
You know what I want  
Holding that cup,  
It's pouring over the sides  
Make me wanna spread my arms and fly Oh chariot your golden waves  
Are walking down upon this face  
Oh chariot I'm singing out loud  
To guide me  
Give me your  
Strength Give me your strength  
Chariot  
Give me your strength  
Chariot  
Give me your strength  
Chariot

Give me your strength  
Chariot  
Give me your (give it to me)  
Chariot  
Give me your (give it to me)  
Chariot  
Give me your strength(give it to me)  
Chariot  
Give me your strenght oh chariot
