

# Say Anymore

## Kiara

From the nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, if I say anymore  
From the nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, I might just fall in  
Nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, if I say anymore  
From the nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, I might just fall in  
Understand where we stand  
Say we ain't together, but every weekend  
We do breakfast  
Then put our initials in beach sand  
And it's obvious that you fuck with me  
And I got you at the beach and we trippy  
Now the situation's getting quite sticky  
Say you wanna touch, but I can't leave hickeys  
I know what that means  
You think I got another man, but trust me  
Got a better plan, how 'bout we stay in this beach sand?  
Weekend, we can build in this beach sand  
From the nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, if I say anymore  
From the nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, I might just fall in  
Nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, if I say anymore  
White sand beneath our feet  
Fuck that, give me rain and sleet

As long as I got you between the sheets  
A bottle of that red and some blue weed  
All I need is you and I could make you purr  
Like you been waiting for years just to get yours  
And if you been waiting you know I'm good to serve it  
Baby you deserve everything you earning  
From the nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, if I say anymore  
From the nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, I might just fall in  
Nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, if I say anymore  
From the nightclub to the bedroom floor  
I never felt quite like this before  
It's your eyes that I really adore  
If I say anymore, I might just fall in  
Fall in  
Fall in  
Bedroom, fall in  
Fall in, fall in  
Fall in  
Fall in  
Bedroom, fall in  
Fall in, fall in
