

I Am

Train

I never been on a railroad
As many times as they pass me by
I never crashed in the desert or seen a rodeo I don't know much about the world wars or Vietnam
I've yet to read about Uncle Tom
Never climbed a real rock or seen Colorado Am I the son? I think I am
Am I the friend? I think I am
Am I the man? I think I wanna be, hey
I never had a day where money didn't get in my way
I never listened to much Elvis
And I can't remember a warm December Am I the son? I think I am
Am I the friend? I think I am
Am I the man? I think I wanna be I'm here for my sanity, sanity
I am here for you
And I'm here for your fantasy, sanity
I am here, I am Am I the son? I think I am
Am I the father? That I think I am
Am I the man? I think I wanna be I'm here for my sanity, sanity
I am here for you
Whether or not I'm walkin' in or whether or not I'm walkin' out
I'm always here for you, hey, hey
And I'm here for my sanity, sanity
I am here for you
I'm here for my fantasy, sanity
I am here, I am
