

# All I Want for Christmas

Joss Stone

All I want for Christmas  
Is something you won't give  
But if you did I'd cherish it  
As long as I live  
You failed me on my birthday  
Again on Valentines  
Denying me the only thing I  
Wish was mine All I want for Christmas is you  
Nothing old, nothing new  
Borrowed or blue  
I'm afraid nothing else will  
Ever do  
All I want for Christmas is you  
I guess I'll have to follow you  
Wherever you may go  
One day I'm gonna catch you  
Underneath the mistletoe  
And then you'll have to kiss me  
Baby, that's the rules  
And how will you resist  
I'll miscool you? All I want for Christmas is you  
Nothing old, nothing new  
Borrowed or blue  
I'm afraid nothing else will ever do  
All I want for Christmas is you  
Don't bother with the chimney  
(No, No)  
Don't wait for me beneath my Christmas tree  
(oh Oh oh)  
Don't waste your time with bows or ribbon  
(oh oh oh)  
I'll just tear them off impatiently All I want for Christmas is you  
Nothing old, nothing new  
Borrowed or blue  
I'm afraid nothing else will ever do  
All I want for Christmas  
All I want for Christmas is you
